

Technical Data Sheet**EH041**

Description: This material is a composition of thermoplastic polymer with heat stabilizers.

Color: Beige

Typical Properties	Test	Value	Units
Specific Gravity	ISO 1183	1.19	-
Tensile Strength at Break	ISO 527	2200	psi
Elongation at Break	ISO 527	520	%
Hardness	ISO 868	55	Shore D

Notice:

Technical information, test data and advice provided by Eclipse Engineering are based on information and tests we believe to be reliable and are intended for persons with knowledge and technical skill sufficient to analyze test types and apply adequate safety factors for the given application. Because actual application conditions vary widely, these values are intended for comparative purposes only and the suitability of this material is ultimately left to the end user.
